

Child and Adolescent Psychopharmacology Update

A 6-Hour Home Study Program for Health Professionals

An unprecedented number of young people have been diagnosed with ADHD, anxiety, depression, bipolar disorder, borderline personality, autism spectrum disorder, and related conditions. Misdiagnosis is common and misinformation about treatment is widespread.

This program is designed to help health professionals improve their understanding of advances in psychopharmacology for youths with ADHD, Anxiety-Related Disorders, Depression, Bipolar Disorder, Borderline Personality, Autism Spectrum Disorders, and related conditions.

Participants completing this 6-hour program should be able to:

1. Identify core symptoms of common neuropsychiatric conditions in children and teens that are treated with psychiatric medications.
2. Discuss the benefits of psychostimulants and integrative approaches in treating ADHD.
3. Compare and contrast the treatment of OCD and other anxiety-related disorders in children and teens.
4. Describe how the pharmacologic treatment of depression and bipolar disorders differ including indications and adverse effects.
5. Name an effective psychopharmacologic treatment of borderline personality disorders, conduct disorder and aggression, autism spectrum disorder or sleep disorder in youths.
6. Summarize practical advice for parents and health professionals who live or work with youths that are receiving or may receive drugs for psychiatric disorders.

CONTINUING EDUCATION

NURSES: Institute for Brain Potential (IBP) is accredited with distinction as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

IBP is approved as a provider of continuing education by **California Board of Registered Nursing**, Provider #CEP13896, and **Florida Board of Nursing**. This program provides 6 contact hours.

COUNSELORS, PSYCHOLOGISTS, SOCIAL WORKERS & MFTs: Institute for Brain Potential has been Approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6342.
