

Listening to the Body: Understanding the Language of Stress-Related Symptoms

A 6-Hour Home Study Program for Health Professionals

Stress-related conditions contribute to over half of all visits to health providers. This 6-hour program describes the connection between thoughts, emotions, and symptoms. In addition, this program also provides effective evidence-based treatments.

Participants completing this practical program should be able to list one or more effective approaches for managing stress-related:

1. Immune symptoms,
2. Fight-or-flight symptoms,
3. Musculoskeletal symptoms, and
4. Mental states that trigger somatic distress.

CONTINUING EDUCATION

NURSES: Institute for Brain Potential (IBP) is accredited with distinction as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

IBP is approved as a provider of continuing education by **California Board of Registered Nursing**, Provider #CEP13896, and **Florida Board of Nursing**. This program provides 6 contact hours.
