ABOUT THE INSTRUCTOR

Paula Butterfield, Ph.D. (Ohio State University), a psychologist, is a noted clinician, researcher, author, and instructor. She works with clients to improve mood, reduce anxiety, and increase positive emotions. Dr. Butterfield has designed and presented training programs throughout the US for over two decades.

An inspiring speaker, she was recognized four times for distinguished and innovative teaching. Film excerpts and hands-on activities will help impart practical skills to experience relief from maladaptive emotions and generate positive emotions.

In addition to Q & A in class, Dr. Butterfield answers your questions during the second half of the lunch break and by email after the program adjourns.
