FREQUENTLY ASKED QUESTIONS

Q: Is there a way to enjoy this seminar without being at my computer for 6 hours? What if I am not free on December 15, the date of the broadcast?

Yes! First, register for the program. You will receive a link to view the program starting December 20 until January 20. The program will be divided into four segments of approximately 75 minutes for user-friendly viewing.

Q: What if I have technical issues getting and staying connected, difficulty seeing the slides, or hearing the speaker?

We have an expert videographer to capture the sound and slides. We will make copies of the outline available to the participants. Further, in the unlikely event that you have connection problems, IBP will provide registrants with a free set of 4 CDs or DVDs of the entire program.

Q: I'd like to view the program and receive credit but without watching the live program or downloading it and still receive continuing education credit. Can I do this?

Yes! The cost of the DVD or CD set will be the same as the cost of the live program. Register now, let the operator know you will want the CD or DVD set (specify which), and make sure your profession is included in our online brochure.

Q: Can I attend this program live?

Yes, but only if you live in a city where IBP is currently presenting this seminar.

Q: My profession is not included on the brochure. Can I receive continuing education credit?

Maybe. Please contact our customer service at (888) 202-2938.

Q: How long does it usually take to receive a certificate of completion?

Typically, within 3 or 4 business days.

This program concerns the ethical obligations of health professionals. The program is designed to meet ethics or legal requirements in most states for most professions.

This information can protect your health organization or private practice from liability and improve your ability to make ethical decisions in a wide range of health environments.

Participants completing this program should be able to:

- 1. Identify ethical obligations and qualifications in the training and competency of behavioral health professionals.*
- 2. Describe documentation requirements involved in keeping clinical records and assessments of clients.*
- 3. Discuss nonsexual multiple-role relationships, attraction and romantic relationships with clients, subordinates and peers.*
- 4. Assess the validity of self-promotion with regard to online advertising.*
- 5. Identify issues regarding income obtained from managed care, testimony in legal proceedings, and activities when working in challenging employment situations.*
- 6. Describe the process by which the health professional can take appropriate action when there is inappropriate behavior in one's peers with regard to ethical or legal wrongdoing.*

Always do right; this will gratify some people and astonish the rest.
