ABOUT THE INSTRUCTOR

Mark Schneider, Ph.D., is an expert in Behavioral Medicine. Dr. Schneider has taught at the medical schools at Brown, Duke and Harvard Universities. His research and clinical skills include helping people cope with chronic pain and adjustment to chronic disease.

Throughout the program, Dr. Schneider will enable participants to experience pain relief through evidence-based interventions. An outstanding speaker, Dr. Schneider has presented over 750 seminars to health professionals. Audiences highly recommend his presentations for their abundance of practical information, insightful case histories and clinical wisdom. Participants will receive a detailed outline prepared by Dr. Schneider for all of the lecture topics plus key references and evidence-based resources.
