

Anger, Forgiveness, and the Healing Process

A 6-Hour Home Study Program for Health Professionals

Anger poses a risk not only to the person who receives it but also to the individual who harbors it. However, effective approaches have been developed for managing anger and achieving forgiveness. In this six-hour program, learn to communicate what matters in ways that can lead to meaningful change.

Participants completing this program should be able to:

1. List several long-term health risks associated with anger.
2. Identify characteristics of people with the most common anger-related disorders.
3. Discuss evidence-based approaches to manage anger.
4. Describe effective methods of facilitating forgiveness.
