Alliant International University's graduate programs are accredited by the **Accrediting Commission of Senior Colleges and Universities of the Western Association of Schools and Colleges**. Please contact your school district if you need prior approval for this program.

COLLEGE EDUCATED PUBLIC: This program is recommended for individuals who wish to add to their personal and professional knowledge and to improve their health and wellbeing. Participants will receive a certificate of completion for 6 hours.

Executive functions are critically involved in academic and professional success, sustainable relationships, health, and happiness.

Key executive functions enable us to focus, control impulses, form flexible plans, use social intelligence, and maintain motivation. Learn how drugs alter executive functions and how to use the power of the prefrontal cortex to master habits and manage pain.

Participants completing this program should be able to:

1. Review key executive functions.
2. List disorders of attention, impulse control, motivation and social intelligence that rely on executive function.
3. Name key drugs that can alter executive functions including psychostimulants, sedative-hypnotics, anti-depressants, mood stabilizers, and chemical dependencies.
4. Discuss how to use executive functions to manage pain.
5. Describe the use executive functions to manage eating.
6. List ways to practice executive functions to strengthen healthy habits and choices as we age.

Executive Functions and Prefrontal Cortex

Mental Control of Pain

- Pain Regulation
- Reinforcement
- Mental Control

Using Your Prefrontal Cortex to Form Positive Habits

- The Habit Circuit
- Health and Longevity
- How to Form and Maintain Healthful Habits

ABOUT THE INSTRUCTOR

Mark B. Moss, Ph.D., (Chair Emeritus, Neuroscience, Boston University School of Medicine Chair of Neurobiology at Boston University School of Medicine), NIH MERIT-Award recipient, is a leading expert in evidence-based strategies to protect the aging brain. His research, supported in part by the NIH, includes the role of the prefrontal cortex in cognition, memory, the aging brain, hypertension, and dementia. His recent publications are among the first to demonstrate a cognitive benefit of the aging brain related to an anti-inflammatory nutrient.

Dr. Moss was the recipient of the highest teaching award at the Medical School. An inspiring speaker, he explains key concepts in non-technical terms and illuminates them with fascinating case histories.

Policies and Procedures

1. You may order the audio CDs or audio-visual DVDs before the planned expiration date listed on the program brochure. You will have at least one year from the date you placed your order to complete the program for continuing education credit.
2. Course materials including CDs or DVDs, course outline and handouts, evaluation form, and post-test are delivered to you within 5-7 days from the date we receive your order. You will need a CD player to listen to the lecture on CDs and a DVD player to view it on DVDs.
3. Successful completion to receive continuing education credit includes 1) watching or listening to the recorded lecture and reviewing the course handouts, 2) submission of the evaluation form and post-test, and 3) receiving a passing score of 70% on the posttest. No partial credit is given.
4. Post-tests are usually scored within 5 workdays of their receipt; please allow 10 workdays. You may retake the posttest without penalty or fee.
5. Course evaluation form and completed posttest can be submitted to us by email at ceu@4brain.org, fax at (209) 710-8306, or by mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
6. A certificate of completion is provided upon successful completion. Please indicate whether you wish to receive the certificate by email, fax, or mail on the registration form.
7. If you are not completely satisfied, you may return the course materials in a resalable condition within 30-days of your purchase and exchange it for another home study program of equal value or obtain a full refund minus a \$15 processing fee by submitting a refund request in writing or by email at refund@ibpceu.com. Tuition for continuing education credit is not refundable. Course materials should be returned to us at IBP Distance Learning, 245 W Pacheco Blvd. Ste. C, Los Banos, CA 93635.

Dedicated Customer Service

Call (888) 202-2938 or email info@ibpceu.com to inquire about course content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, submit a formal grievance, or remove your name from a list. Institute for Brain Potential complies with ADA requirements.

The IBP Experience

Our non-profit organization, tax ID 77-0026830, is the leading provider of accredited programs concerning the brain and behavioral sciences. We have been providing informative and practical continuing education programs since 1984. Our programs include fascinating and informative presentations by outstanding and highly qualified faculty.
