

The Habits of People Least Likely to Develop Alzheimer's Disease

A 6-Hour Home Study Program for Health Professionals

Lifestyle has an important role in who remains cognitively intact, who develops mild cognitive impairment and who develops Alzheimer's disease (AD).

This program is designed to help you understand Alzheimer's disease, key risk factors, and brain-protective habits.

Participants completing this program should be able to:

- 1. Describe how Alzheimer's disease can be diagnosed.*
- 2. List several modifiable factors that increase the risk of developing Alzheimer's disease.*
- 3. Discuss limitations of current pharmaceutical treatments.*
- 4. Identify key habits of people who are unlikely to develop Alzheimer's disease.*

NURSES: Institute for Brain Potential (IBP) is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**. - The Right Nutrients
- The Right Forms of Social Engagement
- The Right Kind of Care for Caregivers
- The Right Amount of Stress
- The Right Way to Develop Cognitive Reserve

ABOUT THE INSTRUCTOR

Stuart Zola, Ph.D., is a leading neuroscientist and an expert in the study of Alzheimer's disease. He has been Co-director of the Emory Alzheimer's Disease Research Center, Professor of Psychiatry and Behavioral Sciences at Emory University School of Medicine and is a Senior Research Career Scientist at the Atlanta VA Medical Center, one of the highest honors the VA bestows.

Dr. Zola has extensively studied memory disorders specific to Alzheimer's disease. This research has led to the development of a brief neuropsychological test that can predict with high accuracy which patients with mild cognitive impairment will convert to Alzheimer's disease.

An outstanding and humorous speaker, Dr. Zola has taught for our non-profit organization since the 1990s and is a highly regarded instructor. The American Association for the Advancement of Science named Dr. Zola a fellow for his "distinguished contributions in neuroscience, including the delineation of the brain's memory system, and for communicating the importance and excitement of science to the lay public." Dr. Zola has also been named to the Order of Merlin, within the International Brotherhood of Magicians, and he will use demonstrations of magic to illustrate points about the brain.

How to Receive Home Study Credit

1. Course materials are delivered to you within 5-7 days from the date we receive your order.
2. For recorded programs, watch or listen to the lecture and review the course outline. For text-based programs, read the written materials.
3. Complete the multiple-choice questions or short-written essays based on the course objectives. A passing score is 70%. In the unlikely event that you need to retake the exam, you may do so without penalty or fee. You have at least one year to complete any of the programs.
4. Submit the completed evaluation and exam to IBP by email at ceu@4brain.org, fax at (209) 710-8306 or mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
5. Certificates of completion are provided upon receipt of the evaluation form and the post-test. Please let us know whether you wish to receive it by email, fax, or mail.

30-Day Refund and Return Policy

If you are not completely satisfied, you may exchange the materials for a recorded or text-based program of equal value or receive a refund minus a \$15 processing fee by sending the materials in resalable condition to: IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.

Dedicated Customer Service

Call (888) 202-2938 to inquire about program content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, or submit a formal grievance. IBP complies with ADA requirements.

The IBP Experience

We are the leading provider of accredited programs concerning the brain and behavioral sciences. Programs include fascinating and informative presentations by outstanding and highly qualified instructors. DVDs are an excellent alternative to television and CDs are ideal for long commutes. Our non-profit organization has been providing home study programs since 1985.
