COLLEGE EDUCATED PUBLIC: This program is recommended for individuals who wish to add to their personal and professional knowledge and to improve their health and wellbeing. Participants will receive a certificate of completion for 6 hours.

Lifestyle has an important role in who remains cognitively intact, who develops mild cognitive impairment and who develops Alzheimer's disease (AD).

This program is designed to help you understand Alzheimer's disease, key risk factors, and brain-protective habits.

Participants completing this program should be able to:

- 1. Describe how Alzheimer's disease can be diagnosed.*
- 2. List several modifiable factors that increase the risk of developing Alzheimer's disease.*
- 3. Discuss limitations of current pharmaceutical treatments.*
- 4. Identify key habits of people who are unlikely to develop Alzheimer's disease.*

Understanding Alzheimer's Disease

- Understanding Dementia
- Extended Opportunity for Prevention
- When to Worry
- Neurons At Risk
- Early Detection

Health Risks

- Chronic Inflammation
- Metabolic Syndrome
- Insufficient Sleep
- Statins
- Major Depression
- Cerebrovascular Disease

Treatments

- The Problem with Current Drugs
- The Problem with Anti-inflammatory Drugs
- Drugs Under Investigation

The Habits of People Least Likely to Develop Alzheimer's Disease

- The Right Dose of Physical Activity
- The Right Dose of Sleep
- The Right Ways to Protect the Brain from Metabolic Syndrome
- The Right Nutrients
- The Right Forms of Social Engagement
- The Right Kind of Care for Caregivers
- The Right Amount of Stress
- The Right Way to Develop Cognitive Reserve

ABOUT THE INSTRUCTOR

Stuart Zola, Ph.D., is a leading neuroscientist and an expert in the study of Alzheimer's disease. He has been Co-director of the Emory Alzheimer's Disease Research Center, Professor of Psychiatry and Behavioral Sciences at Emory University School of Medicine and is a Senior Research Career Scientist at the Atlanta VA Medical Center, one of the highest honors the VA bestows.

Dr. Zola has extensively studied memory disorders specific to Alzheimer's disease. This research has led to the development of a brief neuropsychological test that can predict with high accuracy which patients with mild cognitive impairment will convert to Alzheimer's disease.

An outstanding and humorous speaker, Dr. Zola has taught for our non-profit organization since the 1990s and is a highly regarded instructor. The American Association for the Advancement of Science named Dr. Zola a fellow for his "distinguished contributions in neuroscience, including the delineation of the brain's memory system, and for communicating the importance and excitement of science to the lay public." Dr. Zola has also been named to the Order of Merlin, within the International Brotherhood of Magicians, and he will use demonstrations of magic to illustrate points about the brain.

Policies and Procedures

1. You may order the audio CDs or audio-visual DVDs before the planned expiration date listed on the program brochure. You will have at least one year from the date you placed your order to complete the program for continuing education credit.
2. Program materials including CDs or DVDs, course outline and handouts, evaluation form, and post-test are delivered to you within 5-7 days from the date we receive your order. You will need a CD player to listen to the lecture on CDs and a DVD player to view it on DVDs.
3. Successful completion to receive continuing education credit includes 1) watching or listening to the recorded lecture and reviewing the program handouts, 2) submission of the program evaluation form and post-test, and 3) receiving a passing score of 75% on the posttest. Psychologists are encouraged but not required to submit program evaluation forms. No partial credit is given.
4. Post-tests are usually scored within 5 workdays of their receipt; please allow 10 workdays. You may retake the posttest without penalty or fee.
5. Program evaluation forms and completed posttests can be submitted to us by email at ceu@4brain.org, fax at (209) 710-8306, or by mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
6. A certificate of completion is provided upon successful completion. Please indicate whether you wish to receive the certificate by email, fax, or mail on the registration form.
7. If you are not completely satisfied, you may return the course materials in a resalable condition within 30-days of your purchase and exchange it for another home study program of equal value or obtain a full refund minus a \$15 processing fee by submitting a refund request in writing or by email at refund@ibpceu.com. Tuition for continuing education credit is not refundable. Course materials should be returned to us at IBP Distance Learning, 245 W Pacheco Blvd. Ste. C, Los Banos, CA 93635.

Dedicated Customer Service

Call (888) 202-2938 or email info@ibpceu.com to inquire about course content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, submit a formal grievance, or remove your name from a list. Institute for Brain Potential complies with ADA requirements.

The IBP Experience

Our non-profit organization, tax ID 77-0026830, is the leading provider of accredited programs concerning the brain and behavioral sciences. We have been providing informative and practical continuing education programs since 1984. Our programs include fascinating and informative presentations by outstanding and highly qualified faculty.
