

Psychological Approaches to Managing Pain

A 6-Hour Home Study Program for Health Professionals

This program presents and demonstrates psychological methods to reduce pain. Emphasis is placed on techniques that can help to enable patients to reduce dependence on prescribed opioid and other analgesics, reduce fear of medical or dental procedures, reduce catastrophic reactions to unanticipated pain, and develop effective self-management strategies.

Participants completing this program should be able to:

1. Discuss why psychological treatments are a key component of a comprehensive approach to reducing pain.
2. Describe approaches to evoking a pain-reducing relaxation response.
3. Discuss the importance of mindset, belief, and expectation in the perception of pain.
4. Demonstrate one or more approaches to relieving pain through self-compassion, mindfulness, cognition, and acceptance.
5. Discuss how relationships impact pain.
6. Outline several approaches to improving sleep, overcoming trauma, improving the outcome of surgery and managing flare-ups.

NURSES: Institute for Brain Potential (IBP) is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**. - Mindset and Medical or Dental Surgery
- Coping With Pain Flare-ups

ABOUT THE INSTRUCTOR

Beth Darnall, PhD is Clinical Associate Professor in the Departments of Anesthesiology and Perioperative and Pain Medicine at Stanford University, and is faculty in the Stanford Systems Neuroscience and Pain Lab. She is a pain psychologist and researcher. Dr. Darnall is a past President of the Pain Society of Oregon and Co-Chair of the Pain Psychology Task Force at the American Academy of Pain Medicine.

Her NIH-funded research investigates mechanisms of pain catastrophizing, cognitive behavioral therapy for pain, and the effectiveness of a single-session pain catastrophizing treatment she developed. Additional projects are focused on preventing post-surgical chronic pain and on opioid reduction in outpatients with chronic pain. Dr. Darnall is sought by healthcare organizations to develop and enhance pain-focused psychology treatment programs.

She is author of the text published by the American Psychological Association entitled, *Psychological Treatment for Chronic Pain and two other texts, The Opioid-Free Pain Relief Kit (2016) and Less Pain, Fewer Pills: Avoid the dangers of prescription opioids and gain control over chronic pain (2014)*. These books are designed to improve pain education for patients and healthcare providers alike and to improve access to evidence-based, low-cost behavioral pain treatment.

How to Receive Home Study Credit

1. Course materials are delivered to you within 5-7 days from the date we receive your order.
2. For recorded programs, watch or listen to the lecture and review the course outline. For text-based programs, read the written materials.
3. Complete the multiple-choice questions or short-written essays based on the course objectives. A passing score is 70%. In the unlikely event that you need to retake the exam, you may do so without penalty or fee. You have at least one year to complete any of the programs.
4. Submit the completed evaluation and exam to IBP by email at ceu@4brain.org, fax at (209) 710-8306 or mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
5. Certificates of completion are provided upon receipt of the evaluation form and the post-test. Please let us know whether you wish to receive it by email, fax, or mail.

30-Day Refund and Return Policy

If you are not completely satisfied, you may exchange the materials for a recorded or text-based program of equal value or receive a refund minus a \$15 processing fee by sending the materials in resalable condition to: IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.

Dedicated Customer Service

Call (888) 202-2938 to inquire about program content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, or submit a formal grievance. IBP complies with ADA requirements.

The IBP Experience

We are the leading provider of accredited programs concerning the brain and behavioral sciences. Programs include fascinating and informative presentations by outstanding and highly qualified instructors. DVDs are an excellent alternative to television and CDs are ideal for long commutes. Our non-profit organization has been providing home study programs since 1985.
