

# Stress and Metabolism: Mind-Body Connections: Appetite, Mood, Cognition, and Sleep

A 6-Hour Home Study Program for Health Professionals

This program presents psychological and nutritional strategies for key stress-related metabolic conditions.

Designed for health professionals working in medical, dental, and behavioral health practices, participants completing this and unique program should be able to identify:

1. The role of stress in habit-related eating.
2. Mood disorders associated with abnormal brain metabolism and chronic inflammation.
3. The contribution of metabolic syndrome to cognitive impairment and Alzheimer's disease and pathways to successful aging.
4. Effective approaches to improving sleep.

## ABOUT THE INSTRUCTOR

Aric A. Prather, PhD, is an Associate Professor in the Department of Psychiatry and Associate Director of the Center for Health and Community at UC San Francisco. He is an expert in the study of stress resilience, inflammation, depression, sleep and longevity. He helps direct the UCSF Stress Measurement Center and is affiliated with Osher Center for Integrative Medicine and the UCSF Center for Obesity Assessment, Study, and Treatment (COAST). Dr. Prather has received multiple awards for his research and is funded by several organizations including the NIH.

An engaging, informative, and fascinating speaker, health professionals recommend his presentations for their wealth of practical information and lifestyle solutions that can lead to a meaningful change in health and wellbeing.

## **How to Receive Home Study Credit**

1. Course materials are delivered to you within 5-7 days from the date we receive your order.
2. For recorded programs, watch or listen to the lecture and review the course outline. For text-based programs, read the written materials.
3. Complete the multiple-choice questions or short-written essays based on the course objectives. A passing score is 70%. In the unlikely event that you need to retake the exam, you may do so without penalty or fee. You have at least one year to complete any of the programs.
4. Submit the completed evaluation and exam to IBP by email at [ceu@4brain.org](mailto:ceu@4brain.org), fax at (209) 710-8306 or mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
5. Certificates of completion are provided upon receipt of the evaluation form and the post-test. Please let us know whether you wish to receive it by email, fax, or mail.

## **30-Day Refund and Return Policy**

If you are not completely satisfied, you may exchange the materials for a recorded or text-based program of equal value or receive a refund minus a \$15 processing fee by sending the materials in resalable condition to: IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.

## **Dedicated Customer Service**

Call (888) 202-2938 to inquire about program content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, or submit a formal grievance. IBP complies with ADA requirements.

## **The IBP Experience**

We are the leading provider of accredited programs concerning the brain and behavioral sciences. Programs include fascinating and informative presentations by outstanding and highly qualified instructors. DVDs are an excellent alternative to television and CDs are ideal for long commutes. Our non-profit organization has been providing home study programs since 1985.
