

Understanding Sleep-Wake Disorders: Practical Tips for Improving Sleep

A 6-Hour Home Study Program for Health Professionals

This program focuses on improving sleep in people with insomnia and sleep-related problems identified with depression, anxiety, and chronic pain. Emphasis is placed on the application of cognitive-behavioral therapy and related approaches to manage thoughts that keep us awake.

Participants completing this evidence-based 6-hour program should be able to identify:

1. Discoveries concerning the health risks of non-restorative sleep.
2. Treatments for sleep apnea, sleep-related movement disorders, and disturbances of circadian rhythm.
3. Behavioral, cognitive-behavioral, mindfulness-based, acceptance-based, pharmacological, and complementary therapies for insomnia.
4. The relationship between sleep disorders and coexisting disorders of mood anxiety, and pain.

NURSES: Institute for Brain Potential (IBP) is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**. IBP is approved as a provider of continuing education by the **California Board of Registered Nursing**, Provider #CEP13896, and **Florida Board of Nursing**. This program provides 6 contact hours.

ABOUT THE INSTRUCTOR

Colleen Carney, Ph.D., is Associate Professor in Psychology and Director of the Sleep and Depression Laboratory at Ryerson University, Toronto, Canada, where she conducts trials in the treatment of sleep and depression and trains professionals in behavioral sleep medicine. Dr. Carney has over 100 publications and was the author of the first self-help book of evidence-based treatment of comorbid insomnias. Dr. Carney's

book and the training materials are being used in a nationwide rollout of CBT-I training of VA healthcare providers. Her research is funded by the NIH, National Sleep Foundation and the Canadian Institutes of Health Research. Dr. Carney's research has been featured in the New York Times and Wall Street Journal and has appeared in numerous radio and television broadcasts including World News with Diane Sawyer. A video clip from the program is available at <http://goo.gl/31Qoz6>

Dr. Carney has over 15 years of clinical and teaching experience and is an expert in Cognitive-Behavior Therapy for Insomnia. She is best known for training health professionals to use CBT for treating patients with insomnia related to depression, anxiety, fibromyalgia, chronic fatigue syndromes, trauma, cancer and pain. Participants will receive a detailed outline including self-help resources, books, reliable Internet links, and access to support groups. Dr. Carney is internationally recognized as an outstanding trainer and speaker.
