Programs offered by the CA BRN approved providers of CE are accepted by the **Respiratory Care Board of California**.

EDUCATORS: Participants completing this program will receive 7.5 clock hours of professional development credit through a cosponsorship agreement between Alliant International University and IBP. Alliant International University's graduate programs are accredited by the **Accrediting Commission of Senior Colleges and Universities of the Western Association of Schools and Colleges**. Please contact your school district if you need prior approval for this program.

COLLEGE EDUCATED PUBLIC: This program is recommended for individuals who wish to add to their personal and professional knowledge and to improve their health and wellbeing. Participants will receive a certificate of completion for 6 hours.

Advances in the brain and behavioral sciences have provided a new understanding of how we can protect and improve memory by developing greater stress resilience, preventing mood disorders, improving restorative sleep, and acquiring sustainable memory-enhancing skills and habits.

Participants completing this program should be able to:

1. Describe a strategy to prevent a stress-related memory impairment.
2. Discuss a strategy to prevent a mood-related memory impairment.
3. Review a strategy to prevent a sleep-related cognitive impairment.
4. Identify a strategy to help prevent cognitive decline related to neuroinflammation.
5. Describe a means to promote effective memory-related skills and habits.

Forms of Memory

- Emotional Memory
- Working Memory
- Short-Term Memory
- Long-Term Memory
- Habit-Based (Implicit) Memory

Preventing Stress-Related Memory Impairment

- Stress-Related Aging of the Brain
- Why We Remember What We Want to Forget
- Why We Forget What We Want To Remember
- Developing Stress-Resilience

Preventing Mood-Related Memory Impairment

- Depression and Lowered Mood
- Depression and Memory
- Promoting Neurogenesis
- Depression-Resistant Mindset
- Protecting Executive Functions

Preventing Sleep-Related Cognitive Impairment

- Sleep Loss
- Restorative Sleep And Memory Consolidation
- How Much Sleep
- Relaxation Rituals
- Physical Habits that Facilitate Sleep

Dietary Prevention of Neuroinflammation and Memory Improvement

- Understanding Brain Inflammation
- Anti-Inflammatory Diets
- Curcumin
- Resveratrol
- Blueberries
- Caffeine

Attainable and Sustainable Memory-Enhancing Habits

- Skill Versus Habit
- Memory-Protective Habits
- Keeping Visible What We Need to Remember
- Left Hemisphere Learning
- Right Hemisphere Approaches
- Combining Left-and Right Hemisphere Approaches
- Lifelong Learning

ABOUT THE INSTRUCTOR

Mike Yassa, Ph.D., Associate Professor in the Department of Neurobiology and Behavior and Neurology and Director of the Center for the Neurobiology of Learning and Memory at the University of California, Irvine. He is a Fellow at the Center for the Neurobiology of Learning and Memory and the UC Institute for Memory Impairments and Neurological Disorders.

Dr. Yassa is an expert in how the brain acquires and retrieves long-term memory and how these processes are altered by aging and neuropsychiatric disease including depression. Dr. Yassa has received multiple awards including from the National Science Foundation, National Institute on Aging, National Institute on Mental Health, and private foundations.

An inspiring and inspired instructor, Dr. Yassa is one of the most highly rated instructors at Irvine. Dr. Yassa has won awards for research and teaching excellence and teaches programs in human neuropsychology, learning and memory, brain dysfunction and repair.

Policies and Procedures

1. You may order the audio CDs or audio-visual DVDs before the planned expiration date listed on the program brochure. You will have at least one year from the date you placed your order to complete the program for continuing education credit.
2. Course materials including CDs or DVDs, course outline and handouts, evaluation form, and post-test are delivered to you within 5-7 days from the date we receive your order. You will need a CD player to listen to the lecture on CDs and a DVD player to view it on DVDs.
3. Successful completion to receive continuing education credit includes 1) watching or listening to the recorded lecture and reviewing the course handouts, 2) submission of the evaluation form and post-test, and 3) receiving a passing score of 70% on the posttest. No partial credit is given.
4. Post-tests are usually scored within 5 workdays of their receipt; please allow 10 workdays. You may retake the posttest without penalty or fee.
5. Course evaluation form and completed posttest can be submitted to us by email at ceu@4brain.org, fax at (209) 710-8306, or by mail at IBP Distance Learning, PO Box 2238, Los Banos, CA 93635.
6. A certificate of completion is provided upon successful completion. Please indicate whether you wish to receive the certificate by email, fax, or mail on the registration form.
7. If you are not completely satisfied, you may return the course materials in a resalable condition within 30-days of your purchase and exchange it for another home study program of equal value or obtain a full refund minus a \$15 processing fee by submitting a refund request in writing or by email at refund@ibpceu.com. Tuition for continuing education credit is not refundable. Course materials should be returned to us at IBP Distance Learning, 245 W Pacheco Blvd. Ste. C, Los Banos, CA 93635.

Dedicated Customer Service

Call (888) 202-2938 or email info@ibpceu.com to inquire about course content, instructors, corrections, grading, or problem resolution, provide comments, request disability accommodations, submit a formal grievance, or remove your name from a list. Institute for Brain Potential complies with ADA requirements.

The IBP Experience

Our non-profit organization, tax ID 77-0026830, is the leading provider of accredited programs concerning the brain and behavioral sciences. We have been providing informative and practical continuing education programs since 1984. Our programs include fascinating and informative presentations by outstanding and highly qualified faculty.
