

Why We Worry: Understanding and Treating Anxiety Disorders

A 6-Hour Home Study Program for Health Professionals

This 6-hour program describes anxiety disorders, common coexisting conditions, assessment and the most effective treatments. Although anxiety-related disorders often undermine a person's ability to enjoy life, most forms of anxiety can be effectively treated.

Presented by Dr. Martin Antony, a leading expert, the program describes proven, step-by-step strategies to conquer anxiety, fear and panic.

Participants completing this program should be able to:

1. List the key features of panic disorder, phobias, social anxiety, obsessive-compulsive disorders, generalized anxiety, and post-traumatic stress.
2. Describe evidence-based psychological and pharmacological treatments for anxiety and related disorders.

NURSES: Institute for Brain Potential (IBP) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. IBP is approved as a provider of continuing education by the California Board of Registered Nursing, Provider #CEP13896, and Florida Board of Nursing. This program provides 6 contact hours.
